

Groundbreaking at Xpress Scripts Facility

Groundbreaking for the new Express Scripts facility occurred July 16, 2014. St. Louis-based Express Scripts, a Fortune 100 company that provides the pharmacy benefits to 90 million people each year, is building a new 70,000-square-foot facility in North Huntingdon. The new building is being built by development partner Clayco. About 600 employees will move into the new address at Ronda Court in the second quarter of 2015. Express Scripts will lease the building from Clayco, a Chicago-based real estate company.
