

THE REDEVELOPED NORWIN TOWNE SQUARE

North Huntingdon based Colony Holding, LLC purchased the former Norwin Towne Square in June of 2012 and has nearly completed an extensive reconstruction, redesign, and modernization of the Towne Square, which is considered one of the largest facelifts in the history of Westmoreland County.

The Norwin Towne Square includes, in addition to the current tenants, a new Bob Massie Toyota Dealership and a 38,000 square foot Shop and Save. The Towne Square also includes an Arcade and a 25,000 square foot Planet Fitness Gym.
