# SUBDIVISION AND LAND DEVELOPMENT PLAN REVIEW CHECKLIST

(rev. 2022)

This review checklist is intended to assist the applicant in the planning process of preparing a subdivision or land development for Township action. All plans will be reviewed by the Township according to this checklist. This completed checklist should be included in the application. Many of the provisions of this checklist do not apply to minor plans.

*The applicant is cautioned that this checklist is only a guide and is not intended to be a complete list of all subdivision requirements. Please refer to the Subdivision Regulations for full details. The applicant should check "Yes" for all completed items included in the application. If item is not included, (due to it not being applicable), check "No" and add N/A.*
