

TIME CAPSULE

As you may be aware, we opened the time capsule from our 1973 Bicentennial in celebration of our 2023 Seestercentennial earlier this year. We would like to continue this tradition and are preparing another time capsule to be buried later this year and opened for the 300th Anniversary of the Township.

A collection start date and locations will be announced in the near future. We would like to ask for the members of our community to consider donating items for this time capsule.

There are a few guidelines we require:

- ALL ITEMS should reflect life in 2023 in the NHT Community
- ALL ITEMS should be small due to the size of the time capsule and the number of items that will be included
- Items that could deteriorate over time should be placed in a protective material
- Contact Information and a description of each item should be attached to ALL DONATED ITEMS
- DO NOT DONATE ANY ITEM YOU WISH TO RECEIVE BACK. ALL DONATED ITEMS will be considered property of North Huntingdon Township & its 250 Committee. Items will not be able to be returned to the donor or their family even if they are not selected to be placed in the time capsule.

EXAMPLES OF ITEMS INCLUDE:

- Program or Ticket Stubs from 2023
- Band CDs / Records
- 250 Anniversary Memorabilia
- Photos or Videos of Events
- Popular Cars from 2023 (models or pictures)
- Local Business Cards
- Photos of 2023 fashion
- A prediction of what NHT will look like in 2073
- Ads for Businesses / Restaurants
- Restaurant Menus
- Local Sports Teams Names, Records, Participants
- Your favorite NHT Memory of 2023
- A message for NHT 2073
- Other pertinent 2023 items that reflect our current times. Feel free to use your imagination!
