

CONNECTED TO

COMMUNITY

For over 200 years, North Huntingdon Township has thrived as a family-oriented community with a small town feel. Located in Westmoreland County, the township is just 19 miles east of Pittsburgh and less than 13 miles west of Greensburg via US Route 30. This premier placement allows easy access to the business opportunities associated with a large city like Pittsburgh, including a variety of transportation options, while maintaining a distinctive community feeling among residents and business owners alike.

CONNECTED TO THE REGION

Strategically located in **Westmoreland County, PA** between downtown Pittsburgh and Greensburg.

Convenient access to major highways, including US Route 30 and Interstate 76, the Pennsylvania Turnpike.

Connects to southwestern Pennsylvania's extensive infrastructure, including two major airports, numerous rail yards, and the region's vast waterways.

The **Norwin High School STEM Innovation Program** provides a high-tech environment with open work spaces for team-building and skill development in critical thinking, collaboration, communication, and creativity.

"It's a great place to raise a family, having quality schools and fantastic extra curricular activities that are readily available."
